

Warm Up Fairlight

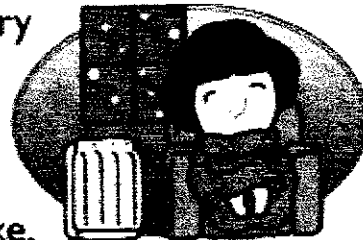

**We're all worried about
heating costs this winter!**

The Parish Council is opening the Village Hall as a warm space throughout the cold months.

Enjoy a welcoming, relaxed atmosphere with free lunch and refreshments, helpful information and support during these difficult times.

Starting on 17th October, the hall will be open between 10am and 4pm every Monday and Wednesday.

All ages are welcome to come along. - Just for a cup of tea and a piece of cake. or to stay for lunch and a friendly chat.

If you would you like to volunteer to help in any way,
especially with transport,
