What is the Certificate in Local Council Administration?

The Society of Local Council Clerks (SLCC) Certificate in Local Council Administration (CiLCA) is a nationally recognised qualification that provides local council officers with a broad knowledge of all the aspects of a Clerk's work: roles and responsibilities; the law; procedures; finance; and community involvement. It is a Level 3 foundation qualification, similar to an AS/A Level or Level 3 National Vocational Qualification (NVQ) and is intended for local council officers and others working with local councils. CiLCA will give candidates the tools to:

- **Make confident, informative decisions for the council and the community**
- **Advise the council on its statutory duties and legal powers**
- **Adapt to and manage changing circumstances**
- **Ensure your council is compliant with proper financial practices**
- **Set a vision for the future for the council and the community**
- **Respond to questions and problems with a dynamic, 'can-do' attitude**
- **Advise and support the council as it identifies and implements plans for the future.**

CiLCA is based on twenty-two occupational standards¹ which have been divided into five themes:

- 1. The core role:** Standards 1 to 5 relate to the general knowledge, activities and skills required to form the foundation of the qualification and the basis on which the remaining standards depend.
- 2. Law and procedures:** Standards 6 to 9 relate to the legal and procedural framework underpinning the council's statutory role.
- 3. Finance:** Standards 10 and 11 refer to the financial management of the council. The standards apply to the Clerk, whether or not that person is also the Responsible Financial Officer (RFO).
- 4. Management:** Standards 12 to 15 refer to the management of projects, services, assets, facilities and people enabling the council to fulfil its role, whatever that may be.
- 5. Community:** Standards 16 to 22 relate to the council's role in the community including town and country planning, community engagement, community planning and partnership working.

These five themes form the five units of the CiLCA portfolio which are further broken down into thirty learning outcomes (LOs) or sections, that a student must successfully complete and submit for marking via EMMA,² unit by unit.

Why consider studying CiLCA?

CiLCA is highly valuable, not only for a Clerk's professional development but for a local council and the community. This nationally recognised qualification is essential for a council to use the General Power of Competence (GPC), which gives increased legal powers bestowed by the Government. Councils with the GPC no longer need to worry that they are acting beyond their legal powers, as the GPC (Localism Act 2011 s1(1)) gives local authorities, including eligible local councils, "the power to do anything that individuals generally may do" provided they do not break other laws. It is the 'power of the first resort', which means that when searching for a legal power to act, the first question to ask is whether the GPC can be used. CiLCA not only provides the council with greater legal powers, but it also provides a practical way for the Clerk to gain more confidence through a recognised qualification.

¹ "Occupational standards describe what a person needs to do, know and understand in their job in order to carry out their role in a consistent and competent way" (UK Standards 2009)

² SLCC's online e-portfolio tool - please see the Society of Local Council Clerks (SLCC) website for CiLCA guidance: <https://www.slcc.co.uk/qualification/cilca/>

The portfolio required to achieve the CiLCA qualification builds on foundations that may already be in place, as part of the day-to-day work in the council office. So, whilst completing CiLCA may seem daunting at first, the Surrey, East & West Sussex CiLCA programme gives practical advice for candidates to understand what is required to complete their CiLCA portfolio and to embark on an independent learning and development experience.

Surrey, East & West Sussex CiLCA Programme

Introductory Session

Before embarking on CiLCA, it is recommended that candidates attend an introduction session. Candidates will be required to complete a Training Needs Assessment prior to attending. This session gives interested and potential candidates an opportunity to learn fully about the course, before enrolling further.

Training

Following the introduction session and once enrolled in the Surrey, East & West Sussex CiLCA Programme, candidates will be expected to attend three, four-hour face-to-face training days when guidance will be given on completing the portfolio. This includes useful information and case studies, along with activities and group discussions to help support candidates through their CiLCA journey.

The training sessions are delivered over a three-month period with an expectation that candidates will work through their learning outcomes at their own pace between each training session. There will be an opportunity to discuss draft work or queries to support candidates in finalising learning outcomes for submission at each training session.

Please note that a training and mentoring programme provided by a Recognised CiLCA Trainer³ is not currently compulsory, however it is strongly advised by SLCC and Ascentis, the qualification awarding body. There are other training bodies nationally which also provide CiLCA training, however care should be taken that this training is provided by a Recognised CiLCA Trainer.

If you enrol in the Surrey, East & West Sussex CiLCA Programme, this ensures that you are supported whilst undertaking training. You will be asked to complete a Learning Agreement, setting out the expectations of the Recognised Trainer, candidate and employer. A copy will be issued by the Recognised Trainer for you to complete and bring with you to your training session.

The Surrey, East & West Sussex CiLCA Programme includes one-to-one support for six months from the first training session.

Mentoring

In some counties there are separate CiLCA Recognised Trainers and mentors. Mentors are available to answer questions, signpost information and provide support to candidates. In Surrey, East & West Sussex, the Recognised Trainer and mentor is the same person. **Sue Hobbs BA (Hons) FSLCC** has CiLCA and a first-class BA (Hons) in Community Engagement and Governance. Sue's email address is: cilca4surrey.sussex@gmail.com

³ A Recognised CiLCA Trainer is one who has undertaken CiLCA or a higher sector-specific qualification from the University of Gloucestershire or De Montfort University, has a recognised teaching qualification/undertaken a generic Train the Trainer course and attended the Recognised CiLCA Trainer course provided by the Society of Local Council Clerks (SLCC). All Recognised CiLCA Trainers are subject to an annual peer review and must have an annual Service Level Agreement (SLA) in place with an Association of Local Councils (ALC).

Costs

There are three costs involved:

- **Introductory Session (for Surrey and West Sussex - paid to Mulberry & Co, for East Sussex – paid to East Sussex Association of Local Councils) - £30.00⁴**
- **Surrey and West Sussex CiLCA Programme (paid to Mulberry & Co)/East Sussex CiLCA Programme (paid to East Sussex Association of Local Councils) - £365.00⁵**
- **CiLCA Registration Fee (paid to SLCC) - £450.00**

Advice on how CiLCA costs are recovered cannot be provided, but candidates should consider whether they or their employer pay these costs. It is advisable that each party negotiates to agree on a suitable arrangement. It is also a matter between the candidate and their Council as to whether they are expected to study CiLCA in their own time, or whether study leave can be negotiated.

2024 Surrey, East & West Sussex CiLCA Online Programme Dates (these may be subject to change)				
Introduction Session	9 January 2024	16 April 2024	3 September 2024	2 hours 9.30am – 11.30am
First training session (LOs 1 – 10)	6 February 2024	7 May 2024	24 September 2024	4 hours 9.30am – 1.30pm
Second training session (LOs 11 – 20)	27 February 2024	11 June 2024	15 October 2024	4 hours 9.30am – 1.30pm
Final Training session (LOs 21 – 30)	19 March 2024	2 July 2024	12 November 2024	4 hours 9.30am – 1.30pm

To book a place, please contact Sue Hobbs at cilca4surrey.sussex@gmail.com

Please note that this is an information booklet highlighting main parts of the CiLCA and the training and mentoring offered in Surrey, East & West Sussex. Full details of the CiLCA qualification can be found in the CiLCA Portfolio Guide other qualifications available to local council officers here: <https://www.slcc.co.uk/qualifications/>

⁴ This fee will only be charged to attendees who **do not** enrol on the Surrey, East & West Sussex CiLCA Programme

⁵ This fee covers all training sessions and mentoring from the Recognised Trainer
